Tieri Community Events Containers for Change Fundraising Collection Trailer

Provided by Glencore Oaky Creek Coal as a fundraising resource for local community groups.

The trailer provides an easy event collection point and transport method for fundraising containers. It can be used at a variety of local community events. Community groups are responsible for registering for the QLD Containers for Change Scheme and depositing containers under their group's ID Number.

To use:

- Take trailer to your event and park it in a handy location (prominent, safe, easily accessible).
- Collect eligible 10c containers.
- After event, take collected containers to ANY Containers for Change Collection Depot – quote your groups Containers for Change Scheme ID Number. More info visit: www.containersforchange.com.au/qld
- Clean and return trailer ready for next user.

Hire Guidelines:

- Must be towed by registered and insured vehicle and person with appropriate driver's licence.
- Must be parked in a fundamentally stable position with wheel chocks.
- All defects and maintenance requirements to be reported ASAP.
- *There is currently no bond or hire fee however additional charges may apply (eg: damage, etc) and misuse may prohibit future bookings.*
