- Other (please specify)

Where do you live or your business operate from?

(Choose any one option) (Required)

- Anakie
- Arcadia Valley
- Bauhinia
- Blackwater
- Bogantungan
- Bluff
- Capella
- Comet
- Gindie
- Rolleston
- Rubyvale
- Sapphire
- Dingo
- Duaringa
- Emerald
- Fernlees
- Lochington
- Orion
- Springsure
- Tieri
- Tresswell
- Willows
- Outside of region but operate business inside
- Other (please specify)

Do you support the need for the region to reduce its waste and reliance on landfill?

(Choose any one option) (Required)

- Yes
- No

Do you use your local resource recovery (transfer station) centre, bulk bin station or landfill?

(Choose any one option) (Required)

- Yes
- No
- Other (please specify)

Resource Recovery (Waste Management) Strategy 2022-2032

Have Your Say, Central Highlands

Answer this question only if you have chosen No for Do you use your local resource recovery (transfer station) centre, bulk bin station or landfill?

If no, what do you do with your waste/rubbish/ recyclables?

Answer this question only if you have chosen Yes for Do you use your local resource recovery (transfer station) centre, bulk bin station or landfill?

If yes, how often do you visit?

(Choose any one option)

- Weekly
- Fortnightly
- Monthly
- Other (please specify)

How satisfied are you with your current kerbside collection service and size of bin?

(Choose any one option)

- Very satisfied
- Satisfied
- Neutral
- Unsatisfied
- Very unsatisfied
- Not Applicable

How satisfied are you with access to resource recovery (waste) facilities (transfer station, bulk bin station or landfill)?

(Choose any one option)

- Very Satisfied
- Satisfied
- Unsatisfied
- Very Unsatisfied
- Neutral
- Not Applicable
- Please provide any further comment

For a fee, if you currently do not have kerbside collection, would you support the expansion of a weekly kerbside collection to service you and your neighbours for convenience?

(Choose any one option)

- Yes
- No
- Other (please specify)

If kerbside collection was expanded would you agree that the number and type of small Resource Recovery Centres (transfer stations) and bulk bin stations should be reduced?

(Choose any one option)

- Yes, that makes sense
- Yes, but where kerbside is not feasible (bulky items) than alternatives should be provided
- No, both should be offered
- Other (please specify)

Resource Recovery (Waste Management) Strategy 2022-2032

Have Your Say, Central Highlands

Would you support the investigation and long-term establishment of a new purpose built improved Regional Resource Recovery Centre based in Emerald that would replace the existing Glasson Street facility?

(Choose any one option)

- Yes
 No

Please share any other comments or feedback you have on the draft strategy
