SAVE THE DATE

Located in the Central Highlands Region of Queensland, Tieri is approximately one hour from Emerald. Tieri offers a relaxed country lifestyle, amongst a vibrant well-resourced community. Established in 1983, the town was originally developed to support the mining operations of Oaky Creek Coal. The town and community continues to flourish today.

This year, we celebrate 40 years since Tieri was created and all the wonderful memories that have been created here in town over this period. For two weeks, the town will come to life with the below:

- Tieri School Fete & Open Day*
- Billy Cart Derby & Markets*
- Golf Ambrose, Music & Meat*
- Australia's Biggest Morning Tea*
- The Test of Tieri Trivia*
