

Tieri Wildfire Mitigation (fuel reduction controlled burns)

Monday 7th Aug to Thursday 10th August

The Tieri Fire Brigade would like to advise all residents of TIERI that hazard reduction burns will be conducted in the local area from **Monday 7th August 2023 to Thursday 10th August, 2023**. The Burns will take place in the APZs (Asset Protection Zones) which is the bushland directly behind the residential houses and the main fire break protecting the town. **(PTO for map)** NB Burns will only take place if weather conditions are suitable. The aim of hazard reduction burns is to reduce the fuel load in the area to **protect the town area and infrastructure** from wildfire during the upcoming fire season.

ACTION REQUIRED

- ⇒ **STAY CLEAR:** Of the APZs during the actual burns and afterward for a minimum 5 days, due to any danger from falling branches.
- ⇒ **CLOSE ALL WINDOWS AND DOORS:** If you are in a smoke affected area.
- ⇒ **MOTORISTS SHOULD TAKE CARE, TURN ON HEADLIGHTS AND SLOW DOWN:** Drive at appropriate speeds when travelling in these areas.
- ⇒ **TAKE PRECAUTIONS:** People with conditions exacerbated by smoke should take precautions in line with their medical advice.
- ⇒ **PREPARE ANIMALS:** which may be affected by smoke in the area. It is appreciated that these burns may cause some inconvenience, however all attempts will be made to limit smoke hazards and road closures. Any questions or queries can be directed to Stacey Barry **0409 394 781** or Roger Decker **0419 988 335**.
